Notice

Dear Members of the Faculty & students of BASLP & BPT

We are pleased to inform you that the Institute of Health Sciences will be commemorating **World Sign Language Day on September 23rd, 2023**. This significant event serves to promote awareness and appreciation of sign languages and the vital role they play in our diverse society.

To mark this occasion, we have organized a special gathering that will bring together our esteemed faculty and dedicated students. We kindly request your participation in this event.

Tomorrow at 10:30 AM, we will have the flag hoisting ceremony at IHS, Chandaka Campus accompanied the rendition of the National Anthem in Sign Language. It will be a poignant and unifying moment that underscores the inclusivity and diversity that our institution stands for. This will be followed by a talk by Prof. Satya Mahapatra, our esteemed Director.

We encourage all faculty members, staff, and students to attend and participate wholeheartedly in this meaningful observance. Please gather at the designated venue at least 10 minutes before the scheduled time, as we aim for a prompt commencement of the program.

Thank you for your attention, and we look forward to your enthusiastic participation.

Sincerely,

B. S. Prady
